

Application

This handheld signal has been designed for personal distress signalling and is ideal for divers, windsurfers, dinghy sailors and small boats operating inshore as well as outdoor pursuits such as mountaineering, and was originally designed for helicopter/aircrew.

- Incorporates a red flare 15,000 candela at one end, for use at night and day, and a dense orange smoke at the other for daytime use.
- Both ends can be fired independently and can be doused in water after firing, allowing the unused end to be stowed until required.

Operation (identical both ends)

FOR DAY OR NIGHT USE ONLY WHEN RESCUE SERVICES ARE SIGHTED

- Select the end to be used smoke by day, flare at night. Due to its high power the flare also has good visibility by day if required. The Signal has differently coloured and ribbed end caps to aid identification at night.
- 2. Remove end cap.
- 3. Hold clear of face and point downwind.
- ${\it 4.}\ {\it To\ activate-pull\ toggle\ sharply\ away\ from\ body}.$

Packing & Transport Information

- 100 signals in fibreboard carton
- Gross weight: 19.3 kg (45.55 lb.)
- Net Weight: 18.7 kg (41.23 lb.)
- Measurements of fibreboard box: 37 x 27 x 27 cm (15 x 11 x 11 in)
- Net Explosive Content per carton: 5.14 kg (11.33 lb.)
- · Hazard Class: 1.4G
- UN 0191
- Proper Shipping name: Signal Devices, Hand
- Other Information: Cargo Aircraft Only

Storage

Ideally, should be stored in the robust, specially designed Polybottle, or in a dry, easily accessed location at ambient temperature.

Specifications

- Length: 190mm (7.48 in)Diameter: 30mm (1.18 in)
- Burning time: Smoke 18 seconds, Flare 20 seconds
- Light intensity: 15,000 candelaColour of smoke: OrangeColour of flare: Red
- Colour of flare: RedWeight: 187g (6.603oz)NEC: 51.49g (1.8 oz)Ignition: Pull wire ignitor

WARNING

- Produces red hot flame do not point at people
- Produces dense orange smoke do not inhale
- Do not fire in a confined space
- Keep out of reach of children
- · Only for emergency use at sea
- · If damaged or dented do not use
- · Do not dismantle
- · Keep away from source of heat
- · Do not use after expiry date

DISPOSAL

 Pyrotechnics must be treated as hazardous items and must be disposed of responsibly in accordance with local regulations.
