

COMFORTMAX INFLATABLE LIFE JACKET

Revere Survival Inc.
5323 Highway Avenue
Jacksonville
FL 32254

www.reveresurvival.com

Revere's ComfortMax Inflatable Life Jacket offers a manual or auto inflation system, combining comfort with the convenience of instant CO2 inflation technology. It has dual waist adjustment straps for a perfect fit, and a D-ring for connecting a kill-switch lanyard for safety. The heavy-duty 420 Denier nylon fabric covering has a clear status window with a view of the inflation system status indicator.

KEY FEATURES

- US Coastguard approved for persons at least 16 years of age weighing 80 lbs. and above with a chest size between 30" and 52"
- 35 lbs. of buoyancy (156 N)
