

OCEAN ISO ULTRALITE LIFE RAFT

REVERE
SURVIVAL INC.

Revere Survival Inc.
5323 Highway Avenue
Jacksonville
FL 32254

The Ocean UltraLite life raft utilizes carbon composite technology to achieve an amazing 30% weight reduction, compared to the traditional range of Ocean ISO life rafts.

This next generation of life rafts offers the obvious benefits of a light weight solution for yacht designers but most importantly larger life rafts are now easier to handle and deploy. The UltraLite life raft is offered in a valise and has a carbon fiber wrapped aluminum cylinder which gives up to 30% weight saving.
