

PRODUCT DATASHEET

OCEAN SIGNAL RESCUE ME PLB1

OCEAN SAFETY®

Ocean Safety,
Saxon Wharf,
Lower York Street,
Southampton,
SO14 5QF, UK.

www.oceansafety.com

The rescueMe PLB1 can be operated with a single hand in even the most challenging situations. A simple spring loaded flap covers the activation button preventing inadvertent use.

When activated the rescueME PLB1 transmits your position and your ID to a Rescue Coordination Centre via satellite link. Rescue services nearest to you are promptly notified of your emergency and regularly advised of your current location to assist prompt rescue.
