The Flexi-Wing 150 Life jacket is designed as a dual purpose Emergency Abandonment or Constant Wear life jacket. The low profile design allows the wearer unrestricted movement and full forward & downward vision.

The unique Flexi-Wing design affords the wearer enhanced in-water performance with higher mouth freeboard and improved flotation angles. The interlocking lobe design self rights wearer in under 5 seconds and provides an effective wave barrier preventing water from being channeled into the airways. The tailored neck design gives vital support to the head and neck, even to an unconscious subject.
