

LALIZAS SINGLE-SEAT LIFERAFT

Available in 2 versions

Protective Valise
(for commercial use)

Backpack
(for military use)

Code: 74388

- Designed for aviators and military personnel
- Designed for single person use in harsh conditions, with operational temperature ranges from 0°C to 65°C
- Equipped with automatic water-activated inflators, plus a manual inflator for additional inflation
- SOLAS Retroreflective Tapes for increased visibility in low light conditions
- Compact, durable and lightweight design for easy storage in confined areas
- Stowed conveniently in a backpack (for military use) or in a protective valise (for commercial use) for added security and portability
- Can be seamlessly attached to the pilot's life vest, ensuring immediate deployment when needed
- Compatible with all types of lifejackets
- Manufactured from high frequency welded, polyurethane coated nylon fabrics, to ensure durability
- Features a convenient, easy-to-use canopy with a transparent window for visibility, a sea anchor and a bailer
- Features a single-chambered buoyancy tube and a deep-seated floor to enhance water stability

Can be combined with

LALIZAS Lifejacket LED Flashing Lights

ON-OFF Water-Activated
